Legislative Council.

The 17th February 1855.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 17th of February 1855, and is hereby promulgated for general information :—

ACT NO. V. OF 1855.

An Act to assimilate the process of Execution on all sides of Her Majesty's Supreme Courts, and to extend and amend the provisions of Act XXV. of 1841.

WHEREAS it is expedient to make the process of execution on all sides of Her Majesty's Supreme Courts as near as may be the same ; and also to extend and amend the provisions for giving effect to the decrees and orders of Her Majesty's Supreme Courts in certain cases, which are contained in Act No. XXV. of 1841 : It is enacted as follows :—

I. No process of contempt shall issue to compel the performance of so much of any judgment, decree, sentence, or order, either decretal or interlocutory, made by any of Her Majesty's Supreme Courts, as directs any person to pay any money or costs, or to execute any conveyance or other deed or instrument, or to make any transfer or surrender, or to do any act which a constituted attorney of such person, if ordered by the Court to do the same for his principal, would have the means of performing.

Process of contempt not to issue to compel performance of decrees, &c. to pay money, or to execute a deed &c.

II. Where any person is liable to pay any money or costs upon a judgment recovered against him in any of the said Courts, or has made default in the payment of any money or costs which by any order, decree, or sentence made in any proceeding by any of the said Courts on any side thereof, he has been ordered to pay, execution may be issued either against his person by a writ in the nature of the ordinary writ of *Capias ad Satisfaciendum*, or to levy such money or costs out of his property by a writ of *Fieri Facias* or *Venditioni Exponas*, according to the course and practice of the Court as the same shall be settled by the rules and orders to be made for giving effect to the provisions of this Act. Provided that nothing herein contained shall extend to a fine unpaid for a criminal offence, or alter the mode of compelling the payment of such fine.

III. The Sheriff shall pay the money which he may levy under any execution, either to the party named in the writ in satisfaction of his demand, or into court according to the exigency of the writ which shall be in conformity with the order under which the money is payable.

IV. Whenever any person has been directed by any judgment, decree, sentence, or order of any of the said Courts to execute any conveyance, deed, or instrument, or to make any transfer or surrender ; or to do any act which a constituted attorney of such person, if directed by the Court to do the same for his principal, would have

Power to the Court to appoint an Officer to execute instrument, or to do any act for the person who has been ordered but has failed to execute or do the same.

the means of performing ; and such person has refused or neglected to obey such direction, or has evaded compliance therewith, either by absenting himself in order to avoid service of the judgment, decree, sentence, or order, wherein such direction is contained, or by any other means ; it shall be lawful for the Court by which such direction has been given, whether the person disobeying or evading compliance with such direction is in custody or not, upon application made to the said Court for that purpose, and upon proof to its satisfaction of such default or evasion as aforesaid, to order or appoint the Registrar, Master, or other Officer of the said Court to execute such conveyance, deed, or instrument, or to make such transfer or surrender, or to do such other act as aforesaid, for and in the name of the person by whom the same ought to have been executed, made, or done ; and every conveyance, deed, and instrument which shall have been executed, and every transfer and surrender which shall have been made, and every other act which shall have been done by an Officer of Court under the authority of this Act, shall in all respects have the same force and validity as it would have if it had been duly executed, made, or done by the persons for and in whose name it shall have been so executed, made, or done.

V. If it shall appear to any of the said Courts, upon an application made to it, that it can safely dispense with the formal execution of any conveyance, deed, or instrument which the person directed to execute the same has failed to execute, or with the signature of any writing required for the formal performance of any act required to be done but omitted to be done by the person directed to do the same, it shall be lawful for the said Court, in lieu of ordering its Officer to execute the said conveyance, deed, or instrument, or to sign the said writing, by its order to declare that such conveyance, deed, instrument, or writing shall be as valid and effectual to all intents and purposes without the execution or signature of the person directed to execute or sign the same, as it would have been if he had duly executed or signed the same.

VI. When any person has been directed, by any judgment, decree, sentence, or order of any of the said Courts to deliver up possession of any immoveable property or of any specific chattel or security, or to deliver to any person or persons, or to deposit in Court or elsewhere any books, papers, writings, or other articles or things, and has refused or neglected to obey such direction, or has evaded compliance therewith, either by absenting himself to avoid service of the said judgment, decree, sentence, or order, or by any other means, it shall be lawful for the Court by which such direction has been given, whether such person is in custody or not, on proof of such default or evasion as aforesaid, to issue a writ or writs to the Sheriff, directing him either to put the party therein named into possession, or to seize and take such chattel, security, books, papers, writings, or other articles or things, and to deal with the same according to the exigency of the writ, which in all cases shall be conformable to

the order, to compel the performance whereof the same is issued. But nothing herein contained shall authorize the Sheriff to disturb the *bond fide* possession of any person other than the person against whom such order is made.

VII. The first and second Sections of Act No. XXV. of 1841, except as to all proceedings which shall have been had or commenced thereunder before this Act comes into operation, are hereby repealed.

VIII. Nothing in this Act contained shall prevent any of the said Courts from issuing process of contempt, according to its present course of practice, on its Equity side against the person of any party who has been ordered to do any act other than the payment of money, or costs, or the execution of any conveyance, deed, or other instrument, if obedience to such order cannot otherwise be enforced, or against the person of any party who has committed a breach of any injunction ; and the Court may issue such process of contempt on any of its sides, and in such cases shall have and may exercise all powers which it now has touching the commitment, detention, or discharge of any person taken under process of contempt issued on its Equity side.

IX. It shall be lawful for Her Majesty's Supreme Courts to frame such new or altered writs of execution as they shall deem necessary or expedient for giving effect to the provisions hereinbefore contained, and by the Rules or orders to be made under this Act, to regulate the mode of issuing and executing such writs of execution.

X. The words "person" and "party" as used in this Act shall be understood to include any body corporate, and though used so as to import the singular number or the masculine gender only, shall be understood to include several persons as well as one person, and females as well as males, unless there be something in the context repugnant to such construction ; and the term "Her Majesty's Supreme Courts" shall be understood to include the Court of Judicature of Prince of Wales' Island, Singapore, and Malacca.

XI. This Act shall take effect from the 1st day of May next.

W. MORGAN,
Clerk of the Council.

Legislative Council.

The 17th February 1855.

THE following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India on the 17th of February 1855, and is hereby promulgated for general information :—

Act No. VI. of 1855.

An Act to extend the operation of, and regulate the mode of executing Writs of Execu-

tion in Her Majesty's Supreme Courts of Judicature.

WHEREAS it is desirable to extend the operation of, and regulate the conduct of writs of execution out of Her Majesty's Supreme Courts in certain cases, It is enacted as follows :—

I. Clause 1. Under any writ of *fiery facias* issued out of any of Her Majesty's Supreme Courts, on any side of the Court, may be seized and sold any lands, houses or other immoveable property of the party against whose effects such writ issues, whether his estate or interest therein be legal or equitable.

Clause 2. The Sheriff under any such writ may put the purchaser in possession of such of the lands, houses or other immoveable property sold under such writ, of which the judgment debtor is in the actual possession, and of which an actual delivery can be made.

Clause 3. If the lands, houses or other immoveable property liable to be sold under such writ, be in the possession of any person other than the judgment debtor, the Sheriff shall not seize such property, but shall sell and convey all the right, title and interest of the debtor ; and such conveyance shall pass the same interest to the purchaser as if the same had been executed by the debtor.

Clause 4. In such last mentioned case if the property shall be situate beyond the local limits of the jurisdiction of such Court, the Sheriff shall notify such sale to the Judge of the District, who shall cause notice of the same to be officially proclaimed, in like manner as if the sale had been effected under a decree of his own Court.

Clause 5. In any case of intended sale of immoveable property beyond the local limits of the jurisdiction of such Supreme Court, the Sheriff shall cause a notice specifying the time and place of the intended sale, to be stuck up in some conspicuous place in the office of the Collector of the district within which such property is situate and also at the Mal Cutcherry of the estate, if any ; otherwise, on some conspicuous part of the property to be sold. The number of days between the publication of such notice and the sale shall not be less than fourteen days, if the property be not distant more than 100 miles from the Supreme Court ; if the distance shall exceed 100 miles, the number of days shall be increased by an additional day for every 50 miles of such excess of distance. Provided that the want of such notice or any irregularity in respect thereof, shall not vitiate the sale in the hands of a *bond fide* purchaser.

II. If any lands, houses or other immoveable

property be seized or liable to be sold under any such writ, it shall be lawful for the Court, on application to it on behalf of the execution debtor or of any one of several execution debtors, if the Court shall be satisfied that there is reasonable ground to believe that the amount of the judgment may be raised by mortgage of the estate, to postpone the sale for a term not exceeding one month to enable the defendant to raise the amount, and to direct that the money ordered to be levied by such execution shall be raised by mortgage instead of sale of such lands, houses or other immoveable property, upon such terms as to the payment of interest upon the judgment or otherwise as the Court may think fit, and in such case to give all necessary directions for the execution of such mortgage.

III. Under any such writ of *fiery facias* may also be seized money, bank-notes, cheques, bills of exchange, promissory notes, hoondees, Government securities, bonds, or other securities for money and also debts belonging to the said person ; and the Sheriff or other officer having the execution of the writ shall be at liberty to pay or deliver over to the party suing out such execution, any money or bank-notes which shall so be seized, or a sufficient part thereof, order of the Court, endorse over or transfer, and without such order, shall hold any such cheques, bills of exchange, promissory notes, hoondees, bonds, or other securities for money as a security or securities for the amount by such writ of *fiery facias* directed to be levied, or so much thereof as shall not have been otherwise levied and raised, and may, where he retains the same, sue in his own name as such Sheriff or officer, for the recovery of the sum or sums secured thereby, or for any debt seized as aforesaid when the time of payment thereof shall have arrived ; and the payment to such Sheriff or other officer, or to the party entitled under such endorsement or transfer, by the party liable, with or without suit, or the recovery and levying execution against the party so liable, shall discharge him to the extent of such payment or of such recovery and levy in execution as the case may be, from his liability on any such cheque, bill of exchange, promissory note, hoondree, bond, security, and debt ; and such Sheriff or other officer shall pay over to the party suing out such writ, the money so to be recovered, or such part thereof as may be sufficient to discharge the amount by such writ directed to be levied ; and if, after satisfaction of the amount so to be levied together with Sheriff's poundage and all lawful charges and expenses, any surplus shall remain in the hands of such Sheriff or other officer, the same shall be paid to the party against whom such writ shall be so issued, unless the same is duly attached in the hands of such Sheriff or other officer. Provided that no Sheriff or other officer shall be bound to sue any

And to pay money or bank-notes to execution creditor.

And with the order of the Court to endorse over, and without such order to hold cheques, bills of exchange, &c.

And to sue in his own name for amount secured by bills of exchange &c.

Or for debts.

Provido as to indemnity for Sheriff.

party liable upon any such cheque, bill of exchange, promissory note, hoondee, bond, security, or debt, unless the party suing out such execution shall give security to the Sheriff for indemnifying him from all costs and expenses to be incurred in the prosecution of such action, or to which he may become liable in consequence thereof; the nature and amount of such security to be determined, in case they cannot agree, by the proper officer of the Court in which such action shall be brought, or, if the Court shall so order, by some other person to be appointed by the Court for such purpose; and the expense of preparing and executing such security shall be deducted out of any money to be recovered in such action, and the net proceeds only in this and other cases provided for by this Act shall be considered as received in satisfaction of the debt due to the execution creditor.

IV. If the Sheriff or other officer under any writ of *fiery facias* shall seize any Government security standing in the name of, or belonging to the party against whose property such writ shall be issued, he shall have power to receive the interest due on such Government security whether specially endorsed or otherwise, and to sign a receipt for the same; and also to sell and dispose of such Government security through a broker at the market rate of the day; and if the endorsement of such party shall be required to transfer such Government security, the Sheriff or other public officer shall endorse the same thus, "A. B. by C. D. Sheriff;" and such endorsement shall be as effectual to pass the said Government security and to give a good title to the holder thereof as if the same had been endorsed by the party himself or his duly constituted attorney.

V. No debt shall be sold by the Sheriff under the process of the said Court, any Charter of any of the said Supreme Courts to the contrary notwithstanding; but the same shall be realized in the mode hereinbefore directed.

VI. If any person against whom any writ of execution shall have issued, shall have any interest in any stock or shares in any public Company, whether incorporated or not, carrying on business in India and within the reach of the process of the Court out of which such writ of execution has issued, it shall be lawful for the said Court or for any Judge thereof, on the application of the party who has sued out such writ of execution, to make an order *ex parte* that such interest in such stock or shares, or such of them or such part thereof respectively as the said Court or Judge shall think fit, shall stand charged with the payment of the amount due in respect of such writ of execution; and such order shall have the like effect and entitle the person in whose favor the same is made to the same remedies and priorities as a charge executed in favor of such person by the person against whom execution shall have been issued; and service or notice of such order upon or to the public Company whose stock or shares are the

subject of such order, or upon or to any person claiming an interest in such stock or shares, shall have the like effect and shall entitle the person in whose favor such order is made to the same remedies against such public Company or such last mentioned person as notice of a charge executed of even date with such order by the person against whom execution shall have been issued in favor of the person at whose suit the same shall have been issued. Provided that nothing herein contained shall prevent the person against whom such order shall have been made or any other person affected thereby, from applying to the Court or Judge by whom such order has been made for its discharge on such grounds as may be just.

Proviso.

VII. If such debtor shall have any interest in any property which shall be standing in the name of the Accountant General of the Court or of any other officer of the Court, or in the dividends, interest, or annual produce thereof, it shall be lawful for the Court or a Judge to make an order that the interest of the defendant in such property shall be applied in payment of such debt, and the Court or Judge shall have power to make such order as may be necessary to give full effect to the above provision.

VIII. A plaintiff or defendant arrested under any writ of *capias ad satisfaciendum* issued upon any judgment, order, decree or sentence of any of the said Courts whereby money is ordered to be paid to any party, shall be entitled to his discharge from such arrest on payment or tender to such party or his attorney in the cause, or to the Sheriff or Gaoler in whose custody such person may be under such writ, of the amount directed to be levied by such writ.

IX. A written order under the hand of the attorney in the cause by whom any writ of *capias ad satisfaciendum* shall have been issued, shall justify the Sheriff, Gaoler, or person in whose custody the party may be under such writ in discharging such party, unless the party for whom such attorney professes to act shall have given written notice to the contrary to such Sheriff, Gaoler, or person in whose custody the opposite party may be; but such discharge shall not be a satisfaction of the debt, unless made by the authority of the creditor; and nothing herein contained shall justify any attorney in giving such order for discharge without the consent of his client.

X. A Sheriff shall not be liable in an action for escape or other breach of duty, to pay damages beyond the amount of the loss which his breach of duty has really occasioned.

Sheriff not to be liable for escape, &c., beyond the amount of the loss really occasioned.

Sheriff empowered to receive interest on Government security seized by him.

And to sell, and where endorsement necessary, to endorse such security.

No debt to be sold by Sheriff.

Shares in public Company may be charged in execution.

Property standing in name of any officer of Court

Party arrested under a *Ca. Sa.* entitled to discharge on payment or tender of the amount of levy to opposite party or his attorney or to Sheriff or Gaoler.

Written order of attorney issuing *Ca. Sa.* sufficient for the discharge of a party by Sheriff or Gaoler, unless the client shall give written notice to the contrary.

Attorney not justified in giving order for discharge without the consent of his client.

XI. A writ of execution sued out after the commencement of this Act, if unexecuted, shall not remain in force for more than one year from the date of such writ, unless renewed in the manner hereinafter provided; but a writ of execution, whether sued out before or after the passing of this Act, may, at any time before its expiration, be renewed by the party issuing it for one year from the date of such renewal, and so on from time to time during the continuance of the renewed writ, by being marked with the seal of the Court and with a memorandum, signed by the officer, of the date of the day, month and year of such renewal, or by such party giving a written notice of renewal to the Sheriff signed by the party or his attorney and bearing the like seal of the Court and memorandum signed by the officer as aforesaid; and a writ of execution so renewed shall have effect and be entitled to the same priority as the original writ would have had. delivering such Schedule, and a true list of all bonds or other securities received on account of each of the said estates during the same period; and also a true Schedule of all administrations, whereof the final balances shall have been paid over to the persons entitled to the same, during the same period, specifying the amount of such balances, and the persons to whom paid, which Schedules shall be filed of record in such Supreme Court of Judicature; and shall, within fourteen days afterwards, be published in the official *Gazette* of the Presidency by the said Administrator General; and copies thereof in triplicate shall be delivered by such Administrator General to the Secretary of the said Presidency, and shall be sent by the Governor thereof to the Court of Directors of the East India Company, in order that the said Court of Directors may, if they think fit so to do, order the same to be deposited at the East India House, London, for public inspection, and may cause notices to be published in the *London Gazette*, and other leading newspapers, that such Schedules are open to inspection there, or may make such other orders respecting the same as they may think fit.

Schedules to be filed and published.

XXXV. The Government shall, from time to time, appoint an auditor or auditors to examine the accounts of the Administrator General at the times of the delivery of the said Schedules, and also at any other time when the Government shall think fit.

Government to appoint Auditors.

XXXVI. The auditor or auditors shall examine the Schedules and accounts, and report to the Government whether they contain a full and true account of everything which ought to be inserted therein, and whether the books which by this Act, are, or which by any such general rules and orders as aforesaid, shall be directed to be kept by the Administrator General, have been duly and regularly kept, and whether the assets and securities have been duly kept and invested and deposited in the manner prescribed by this Act, or which shall be prescribed by any such rules and orders to be made as aforesaid.

Auditors to examine Schedule, and report to Government.

XXXVII. Every Auditor shall have power to summon as well the Administrator General as any other person or persons whose presence he may think necessary, to attend him from time to time; and to examine the Administrator General, or other party or parties, if he shall think fit, on oath or solemn affirmation, to be by him administered; and to call for all books, papers, vouchers and documents, which shall appear to him to be necessary for the purposes of the said reference: and if the Administrator General or other person or persons when summoned shall refuse, or, without reasonable cause, neglect to attend or to produce any book, paper, voucher or document required, or shall attend and refuse to be sworn or make a solemn affirmation, when by law an affirmation may be substituted for an oath, or shall refuse to be examined, the Auditor or Auditors shall certify such neglect or refusal in writing to the Supreme Court of Judicature at the Presidency; and every person so refusing or neglecting shall thereupon be punishable, in

Auditors to have power to summon witnesses and to call for books, &c.

Penalty for non-attendance.

refusing or neglecting shall thereupon be punishable, in

like manner as if such refusal or neglect had been in contempt of the said Supreme Court.

XXXVIII. The costs and expenses of preparing and publishing the said Schedules and copies thereof, and of every such reference and examination as aforesaid, shall be defrayed by all the estates, to which such schedules or accounts shall relate, which costs and expenses, and the portion thereof to be contributed by each of the said estates, shall be ascertained and settled by the Auditor or Auditors, subject to the approval of the Government, and shall be paid out of the said estates accordingly by the Administrator General.

XXXIX. If upon any such reference and examination, the Auditor or Auditors shall see reason to believe that the said Schedules do not contain a true and correct account of the matters therein contained, or which ought to be therein contained, or that the assets have not been duly kept and invested or deposited in the manner directed by this Act, or which shall be directed by any such rules and orders as aforesaid, or that the Administrator General has failed to comply with the provisions and directions of this Act, or of any such rules and orders, he or they shall report accordingly to the Government.

XL. The Government may refer every such report as last aforesaid to the consideration of the Advocate General for the Presidency, who shall thereupon, if he shall think fit, proceed summarily against the defaulter or his personal representative in the Supreme Court of Judicature in the Presidency, by petition for an account, or to compel obedience to this Act, or to such rules and orders as aforesaid, or otherwise as he may think fit, in respect of all or any of the estates then or formerly under the administration of such defaulter; and the said Advocate General shall have power to exhibit interrogatories to the said Administrator General, or other person or persons, defendants, who shall be bound to answer the same as fully as if the same had been contained in a bill filed for the like purpose; and the Court shall have power upon any such petition, to compel the attendance in Court of the defendant or defendants, and any witnesses who may be thought necessary, and to examine them orally or otherwise as the said Court shall think fit, and to make and enforce such order or orders as the Court shall think just.

XLI. The costs, including those of the Advocate General, and of the reference to him, if the same shall be directed by the Court to be paid, shall be defrayed either by the defendant or defendants, or out of the estates rateably as the said Court shall direct; and whenever any costs shall be recovered from the defendant or defendants, the same shall be repaid to the estates by which the same shall have been in the first instance contributed, and the Court shall have power to order the Administrator General, or other person or persons, defendants, to receive his or her costs out of the said estates, if it shall think fit.

XLII. Any orders which shall be made by any of the said Supreme Courts shall have the same effect, and be executed in the same manner as decretal orders.

XLIII. Whenever any person, not being a Mahomedan or Hindoo, shall have died, whether within any of the said Presidencies or not and whether before or after the passing of this Act, and shall, if a British subject, have left personal assets within any of the said Presidencies or any of the Provinces or places subject thereto, or shall, if not a British subject, have left personal assets within the local limits of the jurisdiction of the Supreme Court of Judicature at any of the said Presidencies, and letters of administration of his effects shall not be taken out for three months after his death, and the Administrator General of such Presidency shall be satisfied that such effects do not exceed in the whole five hundred Rupees, he may, if he shall think fit, at any time before administration of such effects shall be granted, grant to any person claiming to be entitled to a principal share of the effects of the deceased, certificates under his hand, entitling the claimant to receive the sums or securities for money therein severally mentioned, belonging to the effects of the deceased, to the value of any sum not exceeding in the whole five hundred rupees.

XLIV. The Administrator General shall not be bound to grant any such certificate, unless he shall be satisfied of the title of the claimant and of the value of the effects of the deceased, either by the oath, affidavit or solemn affirmation of the claimant (which oath, affidavit or affirmation the Administrator General is hereby authorized to administer or take) or by such other evidence as he shall require.

XLV. Any such certificate, with a receipt annexed under the hand of the person to whom the certificate shall be granted, shall be a full discharge for payment or delivery to him or her of the money or security for money therein mentioned, to the person paying or delivering the same: but nothing in this Act shall preclude any executor or administrator of the deceased from recovering from the person receiving the same, the amount remaining in his hands, after deducting the amount of all debts or other demands lawfully paid or discharged by him in due course of administration; and any creditor or claimant against the estate of the deceased shall be at liberty to recover his debt or claim out of the assets received by such person, and remaining in his hands unadministered, in the same manner and to the same extent as if such person had obtained letters of administration to the estate of the deceased.

XLVI. The Administrator General shall not be bound to take out letters of administration to the estate of any deceased person on account of the effects in respect of which he shall grant any such certificate, but he may do so if he shall discover any fraud or

misrepresentation made to him, or that the value of the estate exceeded five hundred rupees.

XLVII. For every such certificate the Administrator General shall be entitled to charge a fee calculated after the rate of three rupees in the hundred on the amount mentioned in the certificate.

XLVIII. Every person who, having been sworn, or having taken a solemn affirmation under this Act, shall wilfully give false testimony upon any examination authorized by this Act, shall be deemed guilty of perjury, and, if convicted, shall be liable to be punished accordingly.

XLIX. It is hereby declared to be a misdemeanour, punishable by fine and imprisonment, for any Administrator General to trade or traffic for his own benefit, or for the benefit of any other person or persons whomsoever, unless so far as shall appear to him to be expedient for the due management of the estates of which letters of administration shall be granted to him, and for the sole benefit of the several persons entitled to the proceeds of such estates respectively; but this exception is not to be construed to alter the civil liabilities of the Administrator General as trustee of such estates.

L. And whereas it appears from the books and accounts of the Administrator General of Bombay, that, on the thirtieth day of June 1851, there were in his charge Government Securities and cash, arising from accumulations of interest on estates heretofore administered by or in the charge of the Ecclesiastical Registrar of the Supreme Court of Judicature at that Presidency, over and above the amount of interest heretofore allowed on the administration of such estates, it is further enacted as follows:—The Administrator General of Bombay shall forthwith transfer and pay the said Government Securities, and cash balance, and any other Government Securities and cash which, at the time of the passing of this Act, shall or may be in his charge, or under his control in respect of such accumulations of interest, or any additions thereto, to the Accountant General and Sub-Treasurer of Bombay, to be carried to the account and credit of the East India Company, for the general purposes of Government; and the receipt of the Accountant and of the Sub-Treasurer of Bombay for any monies or securities so paid or transferred to them under the provisions of this Act, shall be a full indemnity and discharge to the Ecclesiastical Registrar and Administrator General for any such payment or transfer.

LI. The net proceeds of all estates in the official charge of the Administrator General of either of the Presidencies of Fort St. George or Bombay, and which now appear, or shall hereafter appear, from the official books and accounts of the Ecclesiastical Registrar and of the Administrator General of either of those Presidencies, or from the official books and accounts of either of those Officers, to

have been in official custody for a period of fifteen years or upwards, without any claim thereto having been made and allowed, shall be transferred and paid to the Sub-Treasurer of the East India Company at Fort St. George and Bombay respectively, and be carried to the account and credit of the East India Company, for the general purposes of Government; and the receipt of the said Sub-Treasurer and Accountant General shall be a full indemnity and discharge to the said Administrator General for any such payment or transfer.

Provided that this Act shall not authorize any transfer or payment of any such proceeds as aforesaid, pending any suit already instituted, or which shall be hereafter instituted, in respect thereof.

LII. If any claim shall be hereafter made to any part of the securities, monies, or proceeds which shall be carried to the account or credit of the East India Company under the provisions of this Act, and if such claim shall be established to the satisfaction of the Administrator General and Accountant General to the Government of Fort St. George and Bombay, for the time being, respectively, the said Accountant General shall direct the Sub-Treasurer of the Presidency to pay, and the said Sub-Treasurer shall thereupon pay, out of the monies of the East India Company in his custody, to the claimant, the amount of the principal so carried to the credit and account of the said East India Company, or so much thereof as shall appear to be due to the claimant. If the claim shall not be established to the satisfaction of the said Administrator General and Accountant General, the claimant may apply by petition to the Supreme Court at the Presidency against the East India Company and Administrator General of the Presidency for the time being, and after taking evidence, either orally or on affidavit, in a summary way as the said Court shall think fit, the said Court shall make such order on the petition for the payment of such portion of the said principal sum as justice shall require, which order shall be binding on all parties to the suit.

LIII. Section VI. Regulation XV. of 1806 of the Bengal Code and Section V. Regulation IV. of 1809 of the Madras Code are hereby repealed.

LIV. Whenever any British subject shall die leaving personal assets within the limits of the jurisdiction of a Zillah Judge and no will shall be found among the effects of the deceased, it shall be the duty of the Zillah Judge to report the circumstance without delay to the Administrator General of the Presidency, retaining the property under his charge until letters of Administration shall have been obtained by the Administrator General or by some other person from the Supreme Court of Judicature, when the property shall be delivered over to the person obtaining such letters of Administration, or in the event of a will being discovered, to the person who may obtain probate of the will.

LV. In the construction of this Act, the word "Government" shall be deemed to mean the Gover-

nor General of India in Council, so far as the Act relates to the Presidency of Fort William in Bengal, or any place subordinate thereto, and the person or persons for the time being administering the Executive Government of the Presidency, so far as the Act relates to the Presidencies of Fort St. George and Bombay respectively; the words "letters of administration" shall include any letters of administration, whether general or limited or with a will annexed, and letters *ad colligenda bona*. Words in the masculine gender shall include the feminine; and words in the singular number shall include the plural, and *vice versa*; unless where such construction would be inconsistent with or repugnant to the context.

LVI. Acts VII. of 1849 and II. of 1850 are hereby repealed as to all letters of administration which shall hereafter be applied for or granted.

LVII. Nothing in this Act is intended to require the Administrator General to take proceedings to obtain letters of administration to the estate or effects of any officer or soldier or other person subject to any Articles of War, or to the estate or effects of any officer, seaman or other person dying in the Marine Service of the East India Company, called the Indian Navy, unless when the Administrator General shall be duly authorized or required so to do by the Military Secretary, or other officer having similar powers with regard to the estate or effects of any officer, seaman or other person dying in the Indian Navy; nor is anything in this Act contained intended to interfere with or alter the provisions of any Act of Parliament for regulating the payment of regimental debts and the distribution of the effects of officers and soldiers dying in the Service of the East India Company, or of any Articles of War, or of any Act of Parliament relating to the Indian Navy.

LVIII. This Act shall commence and take effect from the 1st day of March 1855.

W. MORGAN,
Clerk of the Council.

Legislative Council.

The 17th February 1855.

THE following Bill was read a second time in the Legislative Council on the 17th February 1855, and referred to a Select Committee who are to report thereon after the 21st of May next:—

A Bill for making better provision for the education of Male Minors and the marriage of male and female Minors, subject to the superintendence of the Court of Wards, in the Presidency of Fort St. George.

I. THE general superintendence and control of the education of every male minor, whose property has been or shall be brought under the management of the Court of Wards in and for any part of the Presidency of

Fort St. George by virtue of any Act or Regulation which now is or hereafter shall be in force is hereby vested in the Collector of Revenue, acting under the said Court of Wards, in the Zillah or District wherein such minor's estate is situate; or, if such minor is possessed of immoveable property in different districts, in such one of the Collectors of Revenue of such districts as the said Court of Wards shall select.

II. It shall be lawful for every Collector of Revenue, in whom the superintendence of the education of any minor is vested by this Act, to direct that such minor shall reside, either with or without his guardian, at the Sudder Station of the District, or at any other place within the said Presidency, and shall attend for the purposes of education, such school or college as to the said Collector may seem expedient; and to make such provision as may be necessary for the proper care and suitable maintenance of the said minor whilst attending such school or college.

III. If it shall appear to the Collector inexpedient to place any such minor at a school or college, he shall cause such minor to be educated by a private tutor, properly qualified, either at the family residence of such minor, or at the Sudder Station or elsewhere within the said Presidency, and in that case also the Collector shall have power to determine from time to time the place of residence of such minor, and to make such provision as may be necessary for his proper tuition and maintenance during the period of his education.

IV. All charges and expenses which may be incurred on account of any Male Minor Ward under the provisions of this Act, college or school fees, or for other charges of tuition or education, or by reason of his residence in any place other than his own home or otherwise, shall be defrayed from the profits of his estate in the same manner as other expenses incurred under the authority, or with the sanction of the Court of Wards.

V. It shall be lawful for the Court of Wards, on the application of a Collector, to remove from office any guardian who shall neglect or refuse to obey, or shall evade compliance with any orders passed, or directions given by such Collector under the provisions of this Act, and to cause a new guardian to be appointed in his place, whether the person so removed shall have been first invested with the guardianship of the minor upon the nomination of a Collector acting under the Court of Wards, or by a testamentary appointment confirmed by the Court of Wards.

VI. The guardian so removed shall, notwithstanding his removal, continue liable to account to the Collector for his receipts and disbursements during the period of his guardianship, and every guardian appointed in the place of a guardian so removed, shall be chosen in the same way, and shall have the same rights and powers and be

subject to the same responsibilities as persons originally appointed to be guardians of minors by a Collector of Revenue acting under the Court of Wards.

VII. The right to the custody of the person of any male minor, whose property is under the management of the Court of Wards, is hereby vested in the person appointed with the sanction of the Court of Wards, either originally or upon the removal of a former guardian, to be the guardian of such minor, or in the absence of any such person, the Collector of Revenue having the superintendence of the education of such minor under the provisions of the Act.

VIII. All orders and proceedings of a Collector under the provisions of this Act, shall be subject to the revision of the Court of Wards, and every person aggrieved by any such order or proceeding may prefer an appeal therefrom to the Court of Wards.

IX. And whereas it frequently happens that a minor whose property is under the care of the Court of Wards, has a younger brother or brothers entitled by law to maintenance and education at the charge of the estate, all the powers and provisions hereinbefore contained for promoting the education of such minor, are hereby declared and made applicable to the case of such younger brother or brothers.

X. And whereas it has been deemed expedient to invest the said Court of Wards and its agents the Collectors of Revenue with control over the marriages of minors whose property is subject to the said Court of Wards, and also over the marriages of the infant male and female members of the families of such minors, the expenses of which marriages are by law chargeable on the estate, it is hereby provided that every person who shall aid or abet the marriage of any minor, the superintendence of whose education is vested by this Act in a Collector of Revenue, or the marriage of an infant brother or sister of such minor, without the leave of the said Collector of Revenue to such marriage first had and obtained, shall, on conviction before a Court of Session upon the prosecution of such Collector, be liable to fine not exceeding or to imprisonment not exceeding the term of with or without hard labor.

Clerk of the Council.

No. 276 of 1855.—Captain H. M. Conran, of Artillery, is allowed leave of absence from the 1st February to the 1st August 1855, to visit Bombay on private affairs, preparatory to applying for permission to resign the Service of the East India Company.

No. 277 of 1855.—The retirement of Captain and Brevet Major J. C. Salkeld, of the 5th Regiment Native Infantry, announced in Government General Order No. 132, of the 26th January 1855, is to be held to have effect from the 23rd February 1855.

No. 278 of 1855.—The Hon'ble the President of the Council of India in Council, with the concurrence of the Most Noble the Governor General of India, is pleased to lay down the following revised Rules for regulating claims to indemnification for losses, to have effect at the three Presidencies from the 1st proximo. G. G. O. No. 428, of the 16th November 1849, and all subsequent rules on the subject are hereby cancelled :—

1. Indemnification is not intended to make good the full amount of loss sustained ; but is granted only to such extent as shall enable the claimant to re-equip himself for service according to the scale laid down.

2. In estimating the amount of indemnification to be granted, regard shall be had to the extent of equipment required by the regulations of the service, the orders of the Commander-in-Chief, or to such restriction as may have been imposed by his authority, according to the nature of the service on which the claimant was employed when the loss occurred.

3. Indemnification shall invariably be confined to losses which have been altogether unavoidable, and may be granted in the following cases, viz. :

Losses in action with the enemy ;

By capture ;

By shipwreck, or by inevitable casualties on board-ship, occasioned by storms or stress of weather ; or by corresponding accidents in river navigation, when proceeding on duty by water ;

By accidental fire ;

By the destruction of a public store-house ; or

By the destruction of articles, or of horses or baggage-cattle, to prevent them falling into the hands of the enemy, or to prevent the spreading of an infectious or contagious disorder.

Provided that in all these cases the articles or animals were placed in the situation in which the loss occurred, under the sanction of proper authority ; that every exertion was used to prevent the loss ; and that any orders for the destruction of articles or of animals were issued by competent authority, and carried into effect with all possible promptitude.

4. No claim can be admitted in the following cases, viz. :

Losses from desertion ;

From articles having been improperly packed, placed, or left in improper situations ;

From the death of horses or baggage-cattle by fatigue in the ordinary course of service ;

From the breaking down of carriages being private property ;

From the loss of clothing, or necessaries in hospital ; or

From any circumstances whatever which may have been prevented by proper care on the part of the regiment or of the claimant or person in charge.

5. No claim can be admitted from the representatives of officers or men slain in action, or dying in consequence of wounds, or otherwise dying before their claims can be investigated and paid.

6. No indemnification shall be granted for losses sustained by officers when proceeding on or returning from leave of absence, except in case of sick leave, or under special circumstances, nor by those in receipt of boat allowance.

7. If an officer or a soldier shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects, unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

8. Whenever baggage or articles of equipment are sent by a vessel in which the officer to whom they belong is not himself a passenger, it is incumbent upon such officer to protect himself against loss by effecting an insurance thereupon ; and if he has an opportunity of doing so, and neglect to avail himself of it, no compensation will be given by the State for any loss that may happen.

9. Whenever losses occur under circumstances which give an officer or soldier a claim to indemnification, whether on service in the field or otherwise, the General, or other Officer Commanding the Division, Station or Detachment, shall assemble, with all convenient despatch, Committees composed of officers from different corps, when practicable, for the investigation of claims arising out of those losses, which Committees shall be guided by the principles laid down in this regulation, and shall require the several proofs to be laid before them in the forms hereinafter prescribed, and the whole of their proceedings or certified copies thereof shall be transmitted to the Commander-in-Chief for his observations and opinion, and by him forwarded to Government for final decision.

Personal Losses of Officers.

12. An officer claiming indemnification is to certify, upon honor, the extent of his losses, whether it be the entire of his baggage, or camp equipage and carriage, or a portion only; and if the latter, he must state, according to the best of his judgment and belief, what fractional parts of the whole he has lost, whether one-fourth, one-half, three-fourths, or any other fraction. *Vide Form A.*

13. Indemnification for losses of purely military equipments is inadmissible to officers holding non-military appointments.

14. Claims of Officers of Artillery and Engineers for the loss of professional instruments, limited to those required by the nature of the service on which the officer may be employed, will be admitted according to the particular circumstances of each case, and at the rates fixed from time to time by the Ordnance Department.

Loss of Mess Property and Band Instruments.

15. Indemnification will, under no circumstance, be allowed for wines and stores lost by a regimental mess, but a donation to such amount as may be determined in each case as it arises, may be allowed in aid of the subscriptions of the officers of a regiment, for the purpose of re-equipping themselves with the furniture and utensils necessary for a regimental mess. Indemnification is admissible for the loss of Band Instruments, but in no instance will more than two-thirds of the original cost be allowed. *Vide Form B.*

Loss of Horses.

16. Indemnification for the loss of horses in action, or destroyed in consequence of being infectious disease, is admissible only to officers in receipt of horse allowance, either personally, or as an item of their staff allowance, and is not to exceed the following rates.

17. To officers of Horse Artillery, Horse Field Batteries and Cavalry, for the loss of a charger selected from the ranks or remounts of their respective corps, indemnification equal to the price they would receive on returning such chargers to the ranks, *viz.*, the residue of the original price after a deduction of 10 per cent. per annum for the period that may have elapsed from the date of selection.

18. To all Mounted Officers for the loss of a charger not selected from the ranks, a compensation equal to the residue of the price paid for the horse, after a deduction of 10 per cent. per annum, provided the residue does not exceed the sum of Company's Rupees (800) eight hundred, which is the maximum allowed in any case.

19. Officers in receipt of horse allowance are to register, in the Station or regimental records, the prices they may pay for their chargers, and when a horse may have come into the possession of an officer otherwise than for a money-payment, a value is to be assigned by a Committee to be assembled by the Commanding Officer of the Station, which value is to be recorded as the price of the horse.

20. Indemnification for horses of officers destroyed on account of having farcy or glanders will only be admitted when it is shown that the destruction of the animal was necessary to prevent infection to other horses in the same stable or in close proximity thereto, whose loss would be liable to be defrayed by the public. *Vide Form C.*

21. The allowance to the native ranks of the Irregular Cavalry for the loss of horses killed or lost in action, dying of fatigue, destroyed or disabled on extraordinary duties, or on field service, is granted according to the actual cost of each horse not exceeding Rupees (125) one hundred and twenty-five. *Vide Form D.*

22. Indemnification is admissible for the loss in action of a horse, the property of a commissioned or non-commissioned officer, when the rider, or bargeer, happens to be killed.

23. The allowance for the loss of grass-cutters' ponies belonging to regular mounted corps is fixed at Rupees (12) twelve each.

Loss of Money.

24. No claim shall be admitted on account of the loss of money, being the private property of individuals; but in special cases, where public money, which has regularly been received by individuals, and has unavoidably remained in their hands, shall be lost on service, application for indemnification may be made according to Form E., such application being supported by the several certificates and documents there specified.

Losses of Non-Commissioned Officers and Soldiers.

25. Claims on account of necessities lost on service, or under the circumstances detailed in Article 3 of this Regulation, by non-commissioned officers and soldiers of European Corps, or of Native Regiments of the Line, Local and Irregular Corps, and Regiments of Irregular Cavalry, are to contain a specification of the articles lost, and of their actual value at the time of loss, and the Captains or Officers Commanding Troops and Companies and Commanding Officers of Regiments are to be responsible that no such claim shall include any charge on account of articles not sanctioned as Regimental necessities by the existing Regulations, and that any restriction in the Equipment of the Troops, which may have been imposed by the orders of the Officer in Command, had been obeyed and taken into account in limiting the amount claimed.

26. Every claim for indemnification for such losses shall be accompanied by a statement of the prices paid by the men for their necessities, according to the Regimental Orders then in force, and the Committee by which, under the provision of Article 9 of this Regulation, the claim may be examined, shall submit a recommendation as to the amount of indemnification to be granted, for the final decision of Government.

27. Those articles of Clothing and Equipment only, which the Soldier is required to provide and to keep up at his own expense, are to be considered Regimental necessities.

28. When articles of Clothing in wear, provided by Government for the use of Soldiers, are lost, they will be replaced under the provision of the Clothing Regulation; but articles which have served the full period will, on no account, be replaced, neither can indemnification be allowed for them.

29. Non-commissioned officers and soldiers, who have been taken and detained as prisoners of war more than four months, shall not be allowed to receive indemnification for necessities lost when they were taken prisoners; all claims therefore made by men who have been prisoners of war, shall contain a statement of the precise period during which they were absent from the Regiment in consequence of being captured.

The London and Eastern Bank will also receive remittances for investment in Government Securities, Bank of Bengal Shares and other stock; and will negotiate the sale of such Securities and stock, when required to do so.

One quarter per cent. commission will be charged on the sale or purchase of Government Securities and Bank stock, &c., and on realizing Interest and Dividends. But when the proceeds of Government Paper or other stock, or the Interest or Dividends on the same, are to be remitted through the Bank, no commission will be charged.

Erratum

THERE is an omission in the last column of the Post Office Notice regarding English Postage, dated 27th December 1854, in the Division marked "Indian Seas" and in the first Division "Via Galle or Singapore," "Postage of One Penny must be levied in advance on Prices Current for the place named therein."

THE attention of the Public is drawn to Section XVII. of the Post Office Rules, which prohibits Delivery Peons from delivering any letter, without, at the same time, exacting payment of any postage which may be due on it; and direct them, if detained, to return the letter to the Post Office.

2. The Delivery Peons of the Calcutta Post Office are now required to pay in advance the postage due on letters made over to them for delivery, and the Calcutta Post Office authorities have been desired to enforce strictly the provisions of the Section quoted above.

No. 308 of 1855.—With the view of affording an improved system of instruction in Regimental and other Schools attached to the European portion of the East India Company's Troops at the three Presidencies, and to assimilate as far as practicable the School Regulations of the East India Company's Army with those of Her Majesty's Service, the Hon'ble the President of the Council of India in Council, with the concurrence of the Most Noble the Governor General, is pleased to direct that the following Rules shall have effect at the three Presidencies from the 30th April next:—

Army School Regulations.

1. There shall be a Superintendent of Army Schools at each Presidency to be appointed by the local Government.
2. There will be established at each Presidency, attached to some College or School, a Normal School for the purpose of training Soldiers and others as School-masters for the Army.
3. Applications for the admission of Soldiers to the Normal School for the purpose of being trained as School-masters for the Army are to be transmitted by Commanding Officers direct to the head of the Establishment, who, after examining the several certificates, will apply to the Adjutant General of the Army for such of the candidates as he may think most likely to qualify themselves as School-masters. Applicants must be unmarried, as a general rule between the ages of 18 and 25, and must have passed a preliminary examination before the Superintendent of Schools, or in his absence, before the Chaplain of the Station or such Officer as may be named from time to time. The exact age, services, character, &c., of candidates must be stated by the Commanding Officer in the applications.
4. Soldiers, while under instruction in the Normal School, will be allowed their full pay if present with their Regiments, and will continue to be borne on the strength of their corps.
5. The sons of Soldiers will also, on passing the preliminary examination, be admitted to the Normal School to be trained as School-masters. They must be of pure European parentage and not under 16 years of age. They are to be enlisted and attached as Soldiers, and will be entitled

to the pay of Privates of Infantry from date of admission, and will be borne on the Returns of one of the Infantry Regiments.

6. The number of students at the Normal School will be fixed from time to time according to circumstances.

7. The names of men who obtain certificates of qualification as School-masters or Assistant School-masters, are to be sent to the Adjutant General of the Army for publication in G. O. by the Commander-in-Chief, who will nominate them, as vacancies occur, to Regimental and other Schools.

8. A portion of trained School-masters, when qualified persons are procurable, will be sent out from England, and these are to be first posted to Regiments and Schools. School-masters trained at the Normal School, will, in the first instance, if no vacancies exist in the grade of School-masters, be appointed as Assistant School-masters in Schools, and their subsequent appointment to the charge of a School will be generally regulated by the date of their obtaining their certificates of qualification as School-masters.

The School-master is at all times to set a proper example to the assistants under his care, and to train them as far as he can for the future, as well as the present duties they have to discharge, and to afford every assistance in his power to advance them in their studies.

THE attention of the Public is drawn to Section XVII. of the Post Office Rules, which prohibits Delivery Peons from delivering any letter, without, at the same time, exacting payment of any postage which may be due on it; and direct them, if detained, to return the letter to the Post Office.

2. The Delivery Peons of the Calcutta Post Office are now required to pay in advance the postage due on letters made over to them for delivery, and the Calcutta Post Office authorities have been desired to enforce strictly the provisions of the Section quoted above.

Director General of the Post Office

The Directors have great pleasure in informing their fellow-shareholders in India, that they have at length succeeded in procuring a Royal Charter of Incorporation, conferring on the Bank the fullest powers, and enabling it to carry on every description of Banking business in London as well as in the East Indies and in the Eastern Colonies of the Empire.

In London, the Corporation opens current accounts and receives Interest Deposits in the usual manner of London Bankers, and in addition undertakes the collection and regular transmission to England of Interest on Government Paper and Dividends of Banks and Joint Stock Companies in India at a fixed rate of Exchange if desired. covered by shipping documents, and sells its own Bills and letters of credit upon Calcutta, Bombay and the larger stations in India at the exchange of the day.

In Calcutta, the Branch of the Corporation also transacts every description of Banking business: opens current accounts; receives Interest deposits; undertakes the safe custody of Government and other securities; realizes Interest and dividends, pay and pensions, and remits the same on behalf of constituents; negotiates the sale and purchase of Government Paper, Bank Shares and other Stock; collects Bills; and grants its drafts on London: on the following terms, viz.:
